We are Learners, Connectors and Changemakers

At Wellington College China, we offer a pioneering education to serve and help shape a better world. We inspire our children to be the best version of themselves, to take pride in where they come from and to be the change they wish to see in the world.

The Wellington College, United Kingdom (TWC)

Wellington College in England was founded by Queen Victoria in 1859 as a national monument to Britain's most renowned military figure, the Duke of Wellington. Over 160 years later, the College is one of the most respected schools in the United Kingdom and one of its greatest educational institutions – pioneering, innovating, and transforming education for girls and boys.

Wellington College China (WCC)

Wellington College China (WCC) was established in 2009 and is the exclusive partner of The Wellington College (TWC) in China. WCC has established three premium international schools under the Wellington brand, three private Hiba Academies and four nurseries in Tianjin, Shanghai, Hangzhou and Nantong. Wellington International schools teach a curriculum based on the English National Curriculum, while Hiba Academies combine the best of the British and Chinese education systems for Chinese pupils aged 2–18.

Kindness Responsibility Respect Courage Integrity

Together our schools serve more than 5,000 pupils and employ over 1,200 staff, of whom approximately 60% are Chinese. Over the past 14 years, WCC has accumulated a wealth of experience in school establishment, campus construction, operation and management, talent development, curriculum design and teaching provision.

School Introduction

Wellington College China is a partner of Wellington College in England. It has three schools in Shanghai, all close to each other, not far from the heart of this exciting, international city. Our schools provide an outstanding education for more than 5,000 local and international pupils aged between 2 and 18. Wellington College China are also winners of the HR Asia Best Employers to work for Award, 2020, 2021, 2022 and 2023.

Hiba Academy Shanghai (formerly Huili School Shanghai) is Wellington's bilingual school for Chinese pupils, which opened in August 2018. There are now more than 1,400 pupils in Hiba Academy Shanghai (Early Years 1-4 and Grades 1-12). The school is offering IGCSEs and the IBDP in the high school to help pupils apply to overseas universities.

We are dedicated to connecting the educational excellence of the East and West to create a pupil-centric, bilingual and bicultural learning experience. We are committed to inspiring our pupils to be the best version of themselves, to take pride in where they come from and to be the change they wish to see in the world. This approach is based on a model that establishes a strong understanding of the rich and deep heritage and culture of China and being Chinese, while also establishing the values, aptitudes and knowledge needed to be an effective global citizen. We aim to prepare pupils for success during and after life at the school.

Within a culture of shared vision, mutual respect, connection and belonging, open communication and inclusive practice, the teacher will form an integral part of a close team who aspire to continually develop and evolve in their personal and professional development. Half of our teachers join us from abroad and half are Chinese nationals already living in China. It is our desire to instil in every pupil our five core values: courage, integrity, respect, kindness, and responsibility.

Wellington College China Schools are committed to safeguarding and promoting the welfare of children. Assessment and testing of applicants' suitability to work with children is an integral part of the selection process.
